ACTIVITY BOOK

FOR KIDS

HELLO!

Welcome to the **Hazardous Waste Experts Activity Book**.

This is a children's activity book that is focused on educating **students** about hazardous waste management and environmental awareness through age-appropriate activities, comics, and interactive exercises. Have fun!

From,
The Experts

CREATE A HERO

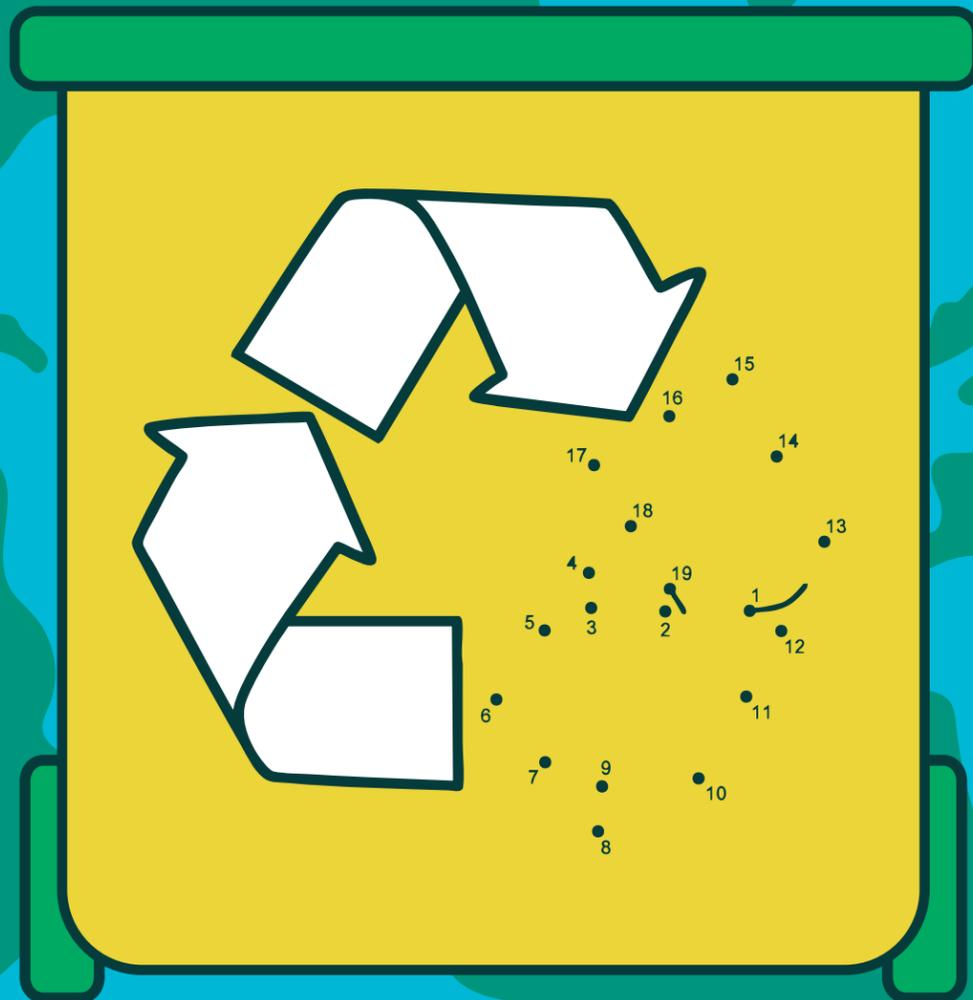

We created our own superhero, **The Green Guardian**. Can you make one of your own?

FIND THE WASTE

Can you spot the **five environmentally harmful objects** that should not be there?

CONNECT THE DOTS

Connect the dots to finish the recycling symbol.
